

Automated external defibrillation (AED) requalification

This course **refreshes the skills** learned on the initial AED course and **revalidates the certificate**.

How will this help?

It's essential that AED operators **maintain their skill and confidence levels** in order to treat anyone suffering from cardiac arrest.

Who should attend?

This course is for students whose **current AED certificate is due to expire**.

What you will learn

The course **refreshes students' knowledge** in how to use an automated external defibrillator.

Course duration

Two hours.

Certification

Successful students are awarded a **certificate of competence** valid for one year.
